Question - Explain the significance of the Treaty of Salbai (1782) in shaping the subsequent Anglo Maratha relations and its impact on the power dynamics in the Indian subcontinent.

The Treaty of Salbai not only repaired the Anglo Maratha relations but also abstained French from accessing the territory of Marathas and helped the Company to destabilize Mysore under Tipu Sultan's administration.

Provisions of Treaty of Salbai, 1782

- ① British retained their control over Salsette and Bombay and Marathas retained Bassein.
- ② Marathas restricted French access to their territory.
- ③ It led to 20 year peace between Marathas and the Company.
- ④ Marathas agreed to support British in their future conquest with Mysore.

## Impact on the power dynamics

① Marathas were already in conflict with Mysore even before the Treaty was signed due to the expansionist policy of Haider Ali over Buffer zones, via this Treaty, British utilised the Enemy's enemy i.e. Marathas in future war — The third Anglo-Mysore war (1790-92).

② British were able to divide the Indian powers ~~as~~ with more certainty — by dealing with one power at a time.

③ After the treaty, the Maratha polity was fragmenting on its own due to the internal power struggles within Marathas. As such, the then Peshwa of Marathas signed the Treaty of Bassein with British, thereby making Bassein as a subsidiary alliance to British.

Thus, the peace under Treaty of Salbai was used by the British for their "divide & rule" policy aimed at British expansion in India.
